

SELECTIONS FOR CHRISTMAS GIFTS

This week's story is soon told, it's a matter of only a few words. Christmas is coming in eighteen days and you must be ready with your gifts for family and friends.

This store has been making vast preparations for weeks past buying the goods, planning where to place them when they arrive, and also planning and scheming how to attract your attention to them. We've never been so well prepared at any previous time. We have additional room, a more efficient and larger staff, and a much better assorted lot of Christmas goods.

A MERRY CHRISTMAS TO ALL

Christmas is the season of joy and peace, and the time when we should be thinking of the poor and needy. It is a time when we should be giving to those who have nothing. It is a time when we should be helping those who are in need. It is a time when we should be showing our love and kindness to all. It is a time when we should be making the world a better place. It is a time when we should be giving to those who have nothing. It is a time when we should be helping those who are in need. It is a time when we should be showing our love and kindness to all. It is a time when we should be making the world a better place.

MUSICAL RECITAL

Finishing Work of Performers—Poor Attendance, as Usual.

Last Tuesday's musical recital at the Lyceum hall, held by Mr. T. W. Wilson, was one of the many musical events which have been held in this city. The attendance was poor, as usual, and the performers were disappointed. The program consisted of several pieces, including a piano solo by Miss M. J. Smith, a violin solo by Mr. J. H. Smith, and a vocal solo by Mrs. J. H. Smith. The performers were all well, and the program was well received.
